State Showcases

South Eugene 15 we will see our award hosted the Southern Regional Drama Competitions this year and as the Drama 2 class. On usual we had many successes. This year we had 14 State Qualifiers and 11 Finalists. The State qualifiers will go on to compete at the State Competition in April.

We will hold our State Showcase performances on March 15 and 16 at 7:30 in the Little Theater. State Qualifiers and Finalists will perform their monologues, scenes, and musical theater pieces. On March

These two events are free to the public but donations are gladly accepted. Donations at these events will help pay to send our competitors to the State Drama Competitions in April. Thank you for your support!

Director's Reception: A Success!

Thank you to everyone who helped with the Director's Reception for Donors on Friday, February 22. The event brought in many new donors, honored those who have already given and raised over \$1500 in the course of 40 minutes through donations, raffle tickets and more. Attendees were treated to a

fantastic array of lovely donated desserts, sparkling drinks and an interesting discussion hosted by Director Pat Avery about the history and production of *Carousel*. Thanks to our incredible families who donated sweet treats, to Deb McCarty for beautifully coordinating everything for the event and to every volunteer who

helped. Hopefully this event will become an annual fundraiser for the department. In addition, the Salem Riverfront Carousel "master carver" hosted an informational demonstration of carving carousel horses on Sunday, February 24th which was enjoyed by 34 people over the course of the hour prior to the matinee.

Spring Auditions

Auditions for spring shows were held on Monday, February 25 and Tuesday, February 26. Many students showed up to participate, making the job of our three directors very hard! All of the directors would like to extend their thanks to everyone who auditioned. They were impressed and would like to encourage anyone not cast this time around to not give up!

Here are the cast lists for the two student-directed Little Theater shows. Unfortunately, *The Seagull* is still in callbacks due to illness among participants.

Our New Website

Technological difficulties made it necessary to rebuild our website. We took it as an opportunity to update our image and we hope you'll enjoy the new website.

New features include handy buttons for buying tickets and sending us emails straight from the site, and links to our Facebook page and email in the top right corner. There is also a newsletter archive.

Please check out the new website and give us feedback! If there are errors or technological difficulties with the new site please let us know. We're still getting all the kinks worked out!
